

Standard Size Incline Conveyors

GRAINWAY

These conveyors are used under the aeration floors of grain bins.

Top mount drive system with a 4 1/2" drive roller

Conveyor is 13" wide with a 12" wide belt

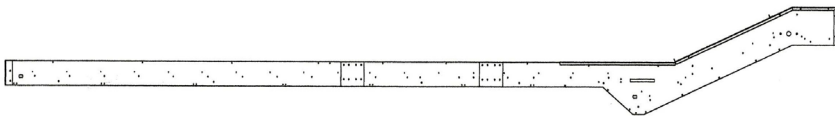

Belt glides on a smooth steel surface

8 1/2" side walls

Fits easily under the bin aeration floor

Capacity is 3000-3500 bu/hr (Over three semi loads per hour)

Conveyors can be made portable so they can be used for several bins or they can be installed permanently
